

To all of our patients:

Please be advised that all delinquent accounts may be turned over to a collection agency in order to recoup payment. If your account is turned over to our collection agency, we will add a 30% collection agency penalty payment to cover this service.

In addition, there will be a \$50 fee charged for the third successive broken appointment and thereafter. A broken appointment is any appointment not kept or changed within 24 hours of the appointment.

If you have any questions, please contact us at 908-788-0088 or E-mail to us: [miracle8dental@yahoo.com](mailto:miracle8dental@yahoo.com).
